continyou care

One platform. Built around your home.

Flexible solutions for dining, resident engagement, communication, and day-to-day operations.

Now Available in English and French.

DINING & POS

Make mealtimes simpler for staff and more personalized for residents.

- Resident preferences & dietary needs
- Orders, charges & menu management
- Dining analytics & waste reduction

DIGITAL SIGNAGE

Keep residents informed, engaged and connected with dynamic displays.

- Menus & activity calendars
- Announcements, birthdays & weather
- Video and community content

RECREATION

Plan, manage and measure activities residents actually want to attend.

- Activitycalendar & scheduling
- Resident sign-up & engagement
- Participation insights & reporting

MAINTENANCE

Replace paper requests with a clear, trackable maintenance workflow.

- Resident & staff requests
- Real-time status updates
- Mobile work tracking & reporting

FAMILY PORTAL

Give families an easier way to stay involved in their loved one's day-to-day experience.

- Dining & activity information
- Meal choices, bookings & visits
- Connected family communication

RESERVATIONS

Make booking resident-facing services and activities simple and organized.

- Easy booking & scheduling
- Centralized availability
- Less manual coordination

SIGN-IN / SIGN-OUT

Digitize front-desk movement tracking and make sign-in workflows easier to manage.

- Digital visitor tracking
- Faster front-desk workflow
- Accessible records & visibility

The right tools. One connected platform.

Designed for senior living and long-term care homes • Integrates with existing EHR systems
